CRC's presentation materials will be available the day of the events on the [Events and Presentations](#) page in the Investor Relations section on www.crc.com.

About California Resources Corporation (CRC)

California Resources Corporation (CRC) is an independent oil and natural gas company committed to energy transition in the sector. CRC has some of the lowest carbon intensity production in the US and we are focused on maximizing the value of our land, mineral and technical resources for decarbonization by developing carbon capture and storage (CCS) and other emissions

reducing projects.
